Blazers & Jackets

Our blazers and jackets are constructed from a variety of fabrics that offer different aesthetic or functional purposes. Our boys' and girls' blazer and jacket collections are steeped in rich heritage – from traditional three patch pocket Ziggys blazer and Aspire tailored jacket to the contemporary styled Signature jacket.

All our blazers and jackets vary in design, fit and style, offering schools and students choice. One of the key features being a heavy duty interlining that offers maximum insulation and helps keep its shape while numerous pockets make them very practical. Most of our blazers and jackets have a concealed zip for easy embroidery access and feature Maxtech® resist or Maxtech® resist plus, a stain resistant protective finish that ensures long lasting performance, perfect for a school environment.

Suiting

Introducing our suiting collections for that complete co-ordinated look of jacket, trouser and/or skirt combination.

Our four suiting options offer flattering styles and different blends of fabrics, for schools that want to transform their uniform into something truly special.

Our matching colours in jackets, trousers and skirts offer a complete co-ordinated look. Our high quality fabric compositions offer comfort and a superior feel for the wearer, whilst the cut and versatile shape gives a modern and tailored fit.

All our suiting options can be personalised with school logos and our recommendation of adding a trim option to the jackets offers that individual touch for schools wanting to stand out. The trouser options are available in both a contemporary slim fit or classic smart cut in a variety of waist sizes and lengths, with the boys' trousers having the added feature of internal waist adjusters and flat front.

The Banner suiting options are not only timeless, but they also meet the aspirations of schools wanting that business look. The Signature Suiting Collection is the latest development that has been inspired by schools and students wanting to bridge the gap between learning and places of work.

The Signature. collection

Thoughtfully created by Banner's Head of Design, Emma Robertson, the Signature collection brings function and style to the classroom with a range of premium quality contemporary suits for boys and girls. The collection fulfils students demands for a stylish, modern fit and flattering tailored look.

The boys jacket, crafted from the ultra-durable Ziggys' fabric, has been cut to offer a modern fit with a tailored silhouette. Focusing on modern styling, this jacket boasts slim lapels with a decorative button hole detail, a chest welt pocket, and a single back vent.

The girls jacket has a feminine cut with a single button, creating a modern look and feel. The striped jacquard sleeve lining adds the final touch to complete the contemporary tailored look both inside and out.

With the introduction of three NEW colours, Bottle, Maroon and Royal Blue for Back to School 2020, the boys and girls jackets now provide even more choice of colour options to co-ordinate or mix and match with other garments across the whole of the Banner uniform range including the NEW Tartan pleated skirt, which is made from 100% Eco Fabric.

The boys and girls trousers have been designed to create the most durable suit look on the market. Available in both contemporary and classic cuts, both styles have adjustable waists to allow for the perfect fit. The matching Designer skirts are offered in both pleated and straight styles. The pleated skirt gives a professional look with stitched down knife pleats, and the fully lined straight skirt has been designed with a low cut waist and side vents for comfort.

All garments within the Signature collection have been treated with Maxtech® Resist Plus stain resistance to ensure long-lasting performance, perfect for a school environment. They are comfortable to wear and not only look good but make students feel great wearing them.

Knitwear

Our knitwear options combine comfort with durability and can be worn as standalone pieces, or matched with blazers and jackets to create a complete look.

All of our knitwear pieces have raglan sleeves to give the wearer shape and the rib cuffs and hem welts give extra support and stability.

Knitwear has become a popular addition to school uniform. Our extensive range of styles available from the traditional V-neck jumper, slipover to cardigans make great additions to the school uniform and are available in a variety of colour options.

Tartan Collection

Our tartan collection includes Prestwick pinafore, Skye junior skirt, Kelso kilt all available in 5 colours in quality yarn dyed tartan fabric. The range has been extended further with the addition of the NEW Tartan Pleated Skirt, which is made from 100% Eco Fabric. The skirt provides schools with even more choice of colour options to create a striking new uniform that co-ordinates with our blazers and knitwear ranges but with the added benefit of a high quality sustainable product that students will be proud to wear.

What makes the NEW Tartan Pleated Skirt Eco?

- The combination of 65% recycled polyester with 35% Viscose, a completely natural fibre.
- 100% of the recycled polyester yarn is made from synthetic renewable fibre with recycled PET from plastic bottles that would otherwise end up in landfill.
- All yarns used are certified as Eco.

What are the Environmental benefits?

- Using recycled plastic bottles in the fabric production reduces the amount of water and energy consumption, and CO2 emissions.
- Reduces the amount of waste going to landfill.
- Ensures Banner is working in partnership with responsible suppliers that comply with our strict ethical and environmental standards, and who share our sustainable vision for the future.

APTUS Essentials

At Banner we have made it our mission to create a range of sportswear that meets the diverse needs of school sport and encourages participation in sport regardless of shape, size and gender.

Successfully launched for 'Back to School 2019', Banner's stylish entry level sportswear range, APTUS Essentials is aimed at both the Primary and Secondary School market. APTUS Essentials was developed and designed by Emma Robertson, Head of Design and her team who have been working with Mermaids UK since 2017, a charity that supports children and young people who are gender diverse.

Parents and children gave invaluable feedback during our research project on how educational sportswear could be improved to encourage students to become more involved with sport at school.

A key finding was the need for a sports kit that fits well. We found that the fit of a garment takes precedence over the gender of the product. With this in mind we made the conscious decision to remove all genders and launched a genderless range of sportswear, available in both Junior and Senior sizes that works for everyone.

Regardless of your shape, size and gender, we want everyone to get more involved in sport at school, feel comfortable and reach their maximum potential in garments they actually want to wear - which is why we have developed the new APTUS Essentials range.

PERFECT FOR PRIMARY

Regardless of your shape, size and gender, we want everyone to get more involved in sport at school.

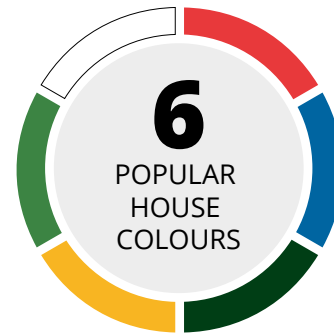

The APTUS Essentials Junior collection provides a perfect solution for any school looking for a new stylish Primary school PE kit that students will not only look great in but will want to wear.

With its contemporary design aesthetic, the Junior Collection comprises four key garments; a S/S Training Tee, Training Shorts, Training Pants and a Full Zip Training Top. These garments combine modern design with functionality and co-ordinate to create a complete head to toe look with matching APTUS Coolmax Socks (featured on page 131).

The best-selling basic, short sleeve Training Tee with a crew neck collar is a core staple within sports kits. The Training Tee is now available in 6 popular house colours, Emerald/White (**NEW**), Red/White, Royal/White, Bottle/White, Gold/White and White/Navy, providing even more colour choices for Primary schools wanting to change their PE kit.

The Training Tee can be worn with either the Training Shorts or slim fit leg style Training Pants and then layered up with a Full Zip Training Top.

Thoroughly researched and designed in-house, the Junior Collection boasts carefully balanced flashes of colour with contrast colour panels and binding, and hints of silver reflective details to create smart contemporary garments and a perfect look to suit all budgets.

A group of four young adults (two men and two women) are walking on a green artificial turf soccer field. They are all smiling and looking towards the camera. The two men are wearing dark navy blue long-sleeved athletic shirts with light blue accents on the sides and sleeves, and dark navy blue athletic pants. The two women are wearing light blue short-sleeved athletic shirts and dark navy blue athletic pants. All four are wearing white athletic shoes. In the background, there is a green chain-link fence and some trees under a clear blue sky.

APTUS PERFORMANCE

The creation of APTUS Performance has been inspired by a commitment for superior garments and experience for those that wear it. All APTUS Performance garments focus on Quality, Performance and Innovation:

QUALITY - No matter the activity, every garment has a stylish, aesthetic overall distinctive look that meets the diverse requirements of the modern day student and PE teacher.

PERFORMANCE – All garments have been designed using a combination of lightweight breathable fabrics along with 3D dimple mesh panels to create garments that are comfortable and effective to play sport in.

INNOVATION – Our partnership with schools allows us to stay at the forefront of sportswear technology, combining insight from teachers, students, fabric specialists and product professionals to vigorously assess our quest for performance innovation.

The Female specific range, created in close consultation with female PE staff and students, contours with the body during activity, creating flattering silhouettes.

Head of Design, Emma Robertson states ‘the central concept behind our female range was to encourage girls to participate in sport at school with clothes that flatter, boost body confidence and actually perform’.

The female leggings have been well received by schools along with the training top that has a hidden cord in the seams to allow the top to be adjusted in length for the more body conscious.

MIX & MATCH

APTUS®
ESSENTIALS

APTUS®
PERFORMANCE

The APTUS brand has two very distinctive ranges, APTUS Performance and APTUS Essentials. Both ranges have been designed using the same colour palette and reflective elements synonymous with APTUS as part of our 'Sportswear for All' concept.

This enables customers to mix and match products to create the perfect co-ordinated look to suit all budgets or find the perfect balance between technicality and functionality. APTUS DNA runs through all of our products, so it's about choice, making it simple, making it understandable and offering combinations of garments and colours that work for all different types of schools.

Banner Sportswear

A smart and practical sporting option

The Banner sportswear range offers classic and modern sportswear that is stock supported and available in an array of popular colours and sizes.

The garments have been designed to accommodate all school sporting activities and all share the same versatile and robust nature for which Banner is renowned.

The combination of fabrics and designs make the Banner Sportswear a great option for schools wanting a more traditional sporting look.

The Banner Sportswear range consists of time-tested garments that have been built to last and combine comfort with durability.

The two different Rugby shirts offer a vast array of colours in reversible options and can be matched with three different designs of Rugby shorts. The Polo shirts are available in both male and female styles and complement the fleece or tracksuit top as a layering up option.
